

With **Signal Enterprise** – the health insurance solution for companies with more than 11 employees – you give your team priority access to services in any private medical network. The insurance package is intended for employees but can also be extended to dependents (spouse/partner, including same-sex partners, and dependent children up to 26 years old)

WHAT IS INCLUDED IN THE INSURANCE?

The plan can be customized with any of the modules:

Outpatient	Critical Care (coverage for 31 serious diseases)	Telemedicine
Day or continuous hospitalization	Preventive control	Second medical opinion
Surgery	Pregnancy monitoring	Psychology/psychiatry consultations
Vital Care (coverage for oncological diseases)	Birth allowance	Dental medical services

**the package covers pre-existing conditions*

Additional Options	Allows customization of the medical service package to the specific needs of your team by extending coverage without significantly increasing company expenses.		
	Co-payment – the employee contributes 10%, 15%, 25%, or 35% of the medical service costs throughout the entire contract period. Deductible – the employee pays a fixed amount up to an agreed threshold, after which the insurance begins covering the costs.

access to any doctor, from any private network

Access methods for covered medical services:

1. Direct settlement

You benefit from medical services without paying, at any partner private medical provider in the **Mediqa Net network**. You make an appointment with any doctor you want and confirm the coverage of the medical service you need through the **Signal Care Assistant application**, and we contact the provider for payment through direct settlement.

We have built the **Mediqa Net network** with over **1,500 partner medical providers**, for you to have quick access to top services, without worrying about the costs. Find out easily and quickly which medical facility is closest to you, by accessing the interactive map available on the signal-iduna.ro website, or in the **Signal Care Assistant application**.

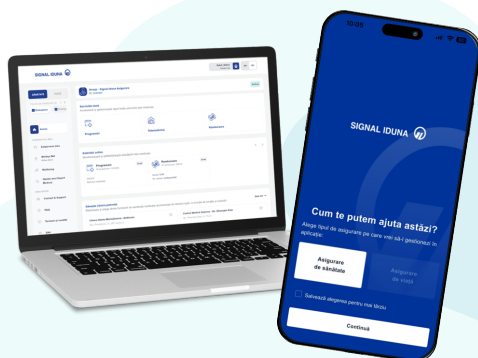

2. Reimbursement

You can pay for the medical services covered by the insurance at **any clinic, hospital or private medical laboratory in Romania** and then recover the costs through the reimbursement service. It is important that you submit valid medical and payment documents within 30 days at most.

3. Easy Pay card

And if you want to benefit from a medical service covered by your SIGNAL IDUNA health insurance in **any medical facility in Romania, without paying out of pocket**, you have the Mastercard Easy Pay card at your disposal. You only need to request in advance, at least 2 working days before the appointment date and time, the cost of the medical services.
